

Summer Intern – Marketing & Community Engagement

Through the Cook Foundation

The Greater Durand Area Chamber of Commerce is seeking a creative and motivated Summer Intern to assist with social media, marketing, and community engagement.

Responsibilities include creating content for TikTok, Instagram, Facebook, and other platforms; helping update the Chamber website; and attending community programs and events to capture photos and videos. Programs include the Edible Landscape Project, Wednesday Night Live, and other Chamber events.

The intern will also assist with basic office tasks and learn day-to-day office procedures.

Ideal candidates are personable, comfortable interacting with the public, interested in social media or marketing, and eager to learn while being involved in the community.

Please submit your resume to Candyce at office@durandchamber
